

281.210**GENERAL PROVISIONS**

2. The provisions of this section apply to any person who has such records, documents, papers or other writings in his possession, and willfully mutilates, withholds or detains them.

[63:108:1866; B § 2661; BH § 1698; C § 1844; RL § 2819; NCL § 4819]--(NRS A 1979, 1464)

MISCELLANEOUS PROVISIONS AND PROHIBITIONS

281.210 Officers of state, political subdivision and University of Nevada prohibited from employing relatives; exceptions; penalties.

1. Except as provided in this section, it is unlawful for any individual acting as a school trustee, state, township, municipal or county official, or as an employing authority of the University of Nevada, any school district or of the state, any town, city or county, or for any state or local board, agency or commission, elected or appointed, to employ in any capacity on behalf of the State of Nevada, or any county, township, municipality or school district thereof, or the University of Nevada, any relative of such individual or of any member of such board, agency or commission, within the third degree of consanguinity or affinity.

2. This section does not apply:

(a) To school districts, when the teacher or other school employee so related is not related to more than one of the trustees or person who is an employing authority by consanguinity or affinity and shall receive a unanimous vote of all members of the board of trustees and approval by the state department of education.

(b) To school districts, when the teacher or other school employee so related has been employed by an abolished school district or educational district, which constitutes a part of the employing county school district, and the county school district for 4 years or more prior to April 1, 1957.

(c) To the wife of the warden of an institution or manager of a facility of the department of prisons.

(d) To the wife of the superintendent of the Nevada girls training center.

(e) To relatives of blind officers and employees of the bureau of services to the blind of the rehabilitation division of the department of human resources when such relatives are employed as automobile drivers for such officers and employees.

3. Nothing in this section:

(a) Prevents any officer in this state, employed under a flat salary, from employing any suitable person to assist in any such employment, when the payment for any such service shall be met out of the personal funds of such officer.

(b) Disqualifies any widow with a dependent or dependents as an employee of any officer or board in this state, or any of its counties, townships, municipalities or school districts.

4. A person employed contrary to the provisions of this section shall not be compensated for such employment.

GENERAL PROVISIONS

281.210

5. Any person violating any provisions of this section is guilty of a gross misdemeanor.

--ANNOTATIONS--

Attorney General's Opinions.

County commissioner may not appoint relatives to work on state roads without full board approval. Individual county commissioner may not appoint relatives to work on state roads, but if appointment is made by full board there is no violation of ch. 19, Stats. 1915 (cf. NRS 281.210). AGO 46 (12-29-1915)

Employment by county commissioners of person within the prohibited degree of affinity violates the statute. Employment by board of county commissioners of one who is related to any member of board within degree prohibited by ch. 19, Stats. 1915 (cf. NRS 281.210), is violation of that statute. AGO 120 (6-1-1922); AGO 124 (6-26-1922)

No appointment of employee within the prohibited degrees of affinity is allowed even if the related board member votes against the appointment. Wherever power of appointment subsists in board, no valid appointment may be made by that board of employee within prohibited degrees of consanguinity or affinity, even though member of board so related did not vote or voted against appointment. Ch. 19, Stats. 1915 (cf. NRS 281.210). AGO 125 (6-26-1922)

County officer cannot employ relative as deputy even though deputy is uncompensated. County officer cannot employ relative as deputy even though deputy serves without compensation. AGO 7 (1-23-1923)

Employment of brother of board member is prohibited. Employment by state board of brother of member of board is violation of ch. 75, Stats. 1925 (NRS 281.210), which prohibits employment of relatives within third degree of consanguinity or affinity. AGO 265 (6-8-1927)

Employment of cousin of wife of justice of supreme court not prohibited. Employment of cousin of wife of justice of supreme court does not violate ch. 75, Stats. 1925 (NRS 281.210) prohibiting employment of relatives within third degree of consanguinity or affinity because cousin is of the fourth degree. AGO 301 (3-12-1928)

Employment by state commission of relatives of member is prohibited even though commission is uncompensated. Ch. 75, Stats. 1925 (NRS 281.210), which prohibits employment of relatives within third degree of consanguinity or affinity, prohibits employment by state commission of some of a member. Fact that members of commission serve without compensation is irrelevant. AGO 291 (1-5-1928)

Continued employment of teacher by school board when teacher marries member of the board is not prohibited. Ch. 75, Stats. 1925 (NRS 281.210), does not prohibit continued employment of teacher by school board when teacher later marries daughter of member of school board, though relationship created is within prohibited degree of consanguinity or affinity. AGO 347 (10-3-1929)

Statute has no application when teacher's employment is consummated by law. Ch. 151, Stats. 1929, repealed by Stats. 1947, p. 91 (cf. NRS 391.3196), automatically reemploys teacher when school board fails to notify teacher as provided. Nepotism law (now NRS 281.210) has no application under these circumstances, because employment is consummated by law. AGO 384 (8-25-1930)

Relationship of wife to her husband's aunt's husband not within prohibited degree of affinity. Relationship of wife to her husband's aunt's husband is not within degree of consanguinity or affinity of NCL § 9862 (see NRS 281.210) which would prevent employment. AGO 79 (6-13-1932)

If teacher marries school trustee after contracting with the school she is not in violation of the statute. If teacher signs contract with school board and subsequently, during period of contract, marries one of the trustees, her contract is not in violation of nepotism law. AGO 196 (12-5-1935)

Purpose of the statute is to prevent patronage by reason of relationship rather than merit. Purpose of nepotism law is to prevent employment by public officers and boards of relatives within degree of relationship prescribed by statutes, and thus prohibit bestowal of patronage by reason of relationship rather than merit. AGO 196 (12-5-1935)

281.210**GENERAL PROVISIONS**

The statute is disabling legislation that will not be extended to relationships not enumerated. Statutes similar in nature to NRS 281.210 have been described as disabling legislation and as being against common right of individual, and, if they enumerate disqualifying relationship, they will not be extended to apply to others not enumerated. AGO 196 (12-5-1935)

"Widow" as used in the statute has its ordinary meaning. Use of word "widow" in NCL § 4851 (NRS 281.210) seems to be ordinary or general use of that word and includes only such persons as are generally contemplated under that word. Word "widow" generally means a woman who has lost her husband by death and has not taken another husband. AGO 353M (8-24-1942)

County officer may appoint wife as deputy if he pays her salary. County officer may appoint wife as deputy so long as he pays her salary. AGO 363M (12-4-1942)

If successful bidder for county work is son-in-law of commissioner, acceptance of the bid would violate the statute. If successful bidder for county work is son-in-law of county commissioner, acceptance of bid would be violation of nepotism law. AGO 588 (3-16-1948)

Purpose of the statute is to prevent patronage of relatives regardless of qualifications. It seems clear that purpose of nepotism law is to prevent bestowal of patronage by public officers in employing their relatives regardless of qualifications of employee. AGO 203 (9-10-1952)

Employment of teacher who is wife of school superintendent is not violation of the statute. Employment of teacher who is wife of school superintendent and works under his direction is employment by board of trustees and thus is not violation of nepotism law (NRS 281.210). AGO 367 (3-24-1958)

Wife cannot be assistant superintendent of county hospital if husband is on board of trustees. Wife cannot serve as assistant superintendent of county hospital if husband is member of board of hospital trustees, notwithstanding husband refrains from official action on matters affecting wife's employment or salary. AGO 430 (12-3-1958)

Person employed at the time of election of his relative to appointing authority may continue in such employment. Under NRS

281.210, which prohibits employment by state or political subdivision of any person related within third degree of consanguinity or affinity to appointing authority or member thereof, person who was employed at time of election of his relative to appointing authority may continue in such employment. AGO 178 (8-31-1960)

Statute does not affect appointment to board of directors of power district. NRS 281.210, which prohibits officials of State of Nevada and enumerated political subdivisions, not specifically naming power or special districts, from employing relatives, does not affect appointment to board of directors of power district, because under former NRS 312.040 district is not municipality, and nepotism statute which restricts freedom of employment should be strictly construed. Maxim inclusio unius est exclusio alterius applies. AGO 210 (3-15-1965)

Statute not applicable to contract between county commissioners and county surveyors to perform designated services. NRS 197.110 and 281.230, which prohibit personal interest or benefit to public officer from public contract, and NRS 281.210, which prohibits employment of relatives by public officers, do not apply to contract between county commissioners and county surveyor to perform designated services for county, because such contract is authorized by NRS 255.060. AGO 215 (4-12-1965)

Statute applies to department head of state institution. NRS 281.210, prohibiting employment of relatives within third degree of consanguinity, applies to department head of state institution or organization to whom power to hire and fire has been delegated by superior officer, even though ultimate power rests with superior. AGO 656 (4-9-1970)

Under the statute an individual within enumerated class cannot employ or recommend for employment a relative within prohibited degree of affinity. Under NRS 281.210, individual within class enumerated in statute cannot employ, reemploy or recommend for employment relative within 3rd degree of consanguinity or affinity to himself or other individual within same enumerated class if such individual has effective hiring power, regardless of where ultimate hiring power lies. AGO 147 (10-1-1973)

Board of general improvement district is subject to the statute. Board of general im-

provement district (see ch. 318 of NRS) is subject to provisions of NRS 281.210 prohibiting employment of relatives of board

members. Board cannot insulate itself from operation of statute by hiring employee who would then hire all other employees for district. AGO 79-B (4-23-1979)

281.221 Contracts in which state officer has interest prohibited; exceptions; penalties.

1. Except as otherwise provided in subsection 2, it is unlawful for any state officer who is not a member of the legislature to:

(a) Become a contractor under any contract or order for supplies or other kind of contract authorized by or for the state or any of its departments, or the legislature or either of its houses, or to be interested, directly or indirectly, as principal, in any kind of contract so authorized.

(b) Be interested in any contract made by him or to be a purchaser or interested in any purchase under a sale made by him in the discharge of his official duties.

2. Any member of any board or commission created under the provisions of Title 54 of NRS who is engaged in the profession, occupation or business regulated by such board or commission may supply or contract to supply, in the ordinary course of his business, goods, materials or services to any state or local agency except the board or commission of which he is a member.

3. Any contract made in violation of this section may be declared void at the instance of the state or of any other person interested in the contract except an officer prohibited from making or being interested in the contract.

4. Any person violating this section is guilty of a gross misdemeanor and shall forfeit his office.

(Added to NRS by 1977, 1109)

--ANNOTATIONS--

Reviser's Note.

This section substantially reenacts former NRS 281.220 and 281.235, which was repealed by section 47 of chapter 540, Stats. 1975, in connection with new provisions later declared unconstitutional (*Dunphy v. Sheehan*, 92 Nev. 259 (1976)).

Attorney General's Opinions.

Members of local employee-management relations board appointed by the governor are subject to the prohibitions of the statute. Members of local government employee-management relations board appointed by governor pursuant to NRS 288.080 are nonlegislative state officers subject to prohibitions of NRS 281.221 against contracting or being interested as principals in any contract with state or any of its agencies. AGO 218 (9-20-1977)

281.230 Unlawful commissions, personal profit and compensation of public officers and employees; void contracts; penalties; payment of commission, profit or compensation to public employer.

1. Except as otherwise provided in NRS 218.605, the following persons shall not, in any manner, directly or indirectly, receive any commission, personal profit or compensation of any kind resulting from any contract or other transaction in which the employing state, county, municipality, township, district or quasi-municipal corporation is in any way interested or affected:

281.230**GENERAL PROVISIONS**

(a) State, county, municipal, district and township officers of the State of Nevada;

(b) Deputies and employees of state, county, municipal, district and township officers; and

(c) Officers and employees of quasi-municipal corporations.

2. Any contract or transaction prohibited by this section entered into with any of the persons designated in subsection 1, with the knowledge of the party so entering into the same, is void.

3. Every person violating any of the provisions of this section shall be punished as provided in NRS 197.230 and:

(a) Where the commission, personal profit or compensation is \$100 or more, by imprisonment in the state prison for not less than 1 year nor more than 10 years, or by a fine of not more than \$10,000, or by both fine and imprisonment.

(b) Where the commission, personal profit or compensation is less than \$100, for a misdemeanor.

4. Every person violating the provisions of this section shall pay any commission, personal profit or compensation resulting from the contract or transaction to the employing state, county, municipality, township, district or quasi-municipal corporation as restitution.

Justice of peace cannot contract with county commissioners for construction of building in his township. Justice of peace cannot enter into contract with county commissioners for construction of building within his township. AGO 329 (4-30-1954)

State planning board not prohibited from contracting with state boards of architecture, professional engineers or contractors for professional service in public works as long as no improper advantage involved. Former NRS 281.220 and NRS 281.230, which prohibit public officers from entering into or having interest in public contracts, do not prohibit state planning board from contracting with individual members of state board of architecture, state board of registered professional engineers or state contractors' board for professional service in public works contracts where no improper advantage is involved, because prohibition was not intended to place such individuals, who perform occasional gratuitous civil service, at disadvantage in their own field of endeavor. AGO 253 (11-2-1961)

Statute and the nepotism law not applicable to contract between county commissioners and county surveyor to perform designated services. NRS 197.110 and 281.230, which prohibit personal interest or benefit to public officer from public contract, and NRS 281.210, which prohibits employment of relatives by public officers, do not apply to contract between county commissioners and county surveyor to perform designated services for county, because such contract is authorized by NRS 255.060. AGO 215 (4-12-1965)

Rental of specialized equipment from employee by department of highways does not violate statute. Rental by department of highways (now department of transportation) of specialized equipment from employee, where no extra compensation would be paid for personal services of employee and rental rate would be less than for similar equipment obtained elsewhere, would not violate NRS 408.890 (cf. NRS 408.353), which prohibits such employees from having interest in highway contracts, or NRS 281.230, which prohibits state employees from receiving compensation inconsistent with loyal service to people of state. AGO 366 (12-12-1966)

GENERAL PROVISIONS

281.236

Justice of the peace prohibited from selling insurance to county on commission basis. Nev. Art. 6, § 1, relating to judicial power of state, and Nev. Art. 6, § 8, which provides for justices of the peace, constitute justices of the peace public or state officers who would be prohibited under former NRS 269.050 (cf. 269.072), relating to contracts of town officers in discharge of official duties, and NRS 281.230, relating to contracts of state or township officers being compensated in manner inconsistent with loyal service, from selling insurance to county on commission basis. AGO 379 (1-31-1967)

Manager of Las Vegas Valley Water District prohibited from serving as counsel to Colorado River commission at same time. Person is prohibited by NRS 281.230 from serving as manager of Las Vegas Valley Water District and at same time serving under contract as counsel to Colorado River commission because conflict of interest may arise from fact that district and commission are involved in contractual relations with each other. Fact that one so appointed agrees to withdraw advice if conflict should arise does not alter statutory prohibition. AGO 503 (4-24-1968)

Neither statute nor common law violated when state officer held minimal interest in corporation which contracted with state but did not participate in nor directly benefit from transaction. Where state officer held minimal interest in private corporation which contracted with state but did not

participate in nor directly benefit from transaction, he did not violate provisions of former NRS 281.220 or NRS 281.230, prohibiting conflicts of interest by state and other public officers, nor any common law prohibition. AGO 16 (3-2-1971)

County employees who are not county officers may serve as trustees for county school district. County employees who are not county officers may serve as trustees for county school district because provisions of NRS 281.230 do not prohibit such service since it is not inconsistent with loyal service to the people, and NRS 281.127, limiting salaries of public officers and employees, is applicable only to services rendered to the state. AGO 22 (5-20-1971)

School teacher may serve as justice of peace as long as neither position interferes with duties of other. Under provisions of NRS 281.230, prohibiting public officer or employee from other employment inconsistent with loyal service to the people, school teacher may also serve as justice of peace as long as neither position interferes with duties required of other. AGO 50 (10-26-1971)

County engineer may not represent private clients before county planning commission of employer county. Under NRS 281.230, prohibiting conflicts of interest in public employment, county engineer may not represent private clients before county planning commission of employer county. AGO 94 (8-21-1972)

281.236 Employment by licensee of former member of public service commission of Nevada, state gaming control board or Nevada gaming commission after termination of service prohibited for certain period.

1. A public utility or parent organization or subsidiary of a public utility shall not employ a former member of the public service commission of Nevada for 1 year after the termination of his service on the commission.

2. A person who holds a license issued pursuant to chapter 463 or 464 of NRS or who is required to register with the Nevada gaming commission pursuant to chapter 463 of NRS shall not employ a former member of the state gaming control board or the Nevada gaming commission for 1 year after the termination of the member's service on the board or commission.

--ANNOTATIONS--

Reviser's Note.

Ch. 266, Stats. 1987, the source of this section, contains the following provision not included in NRS:

"The provisions of section 1 of this act do not apply to the employment of a person who is a member of the public service commission

of Nevada, the state gaming control board or the Nevada gaming commission on July 1, 1987, or was a member before July 1, 1987, unless on or after that date, that person is appointed to serve as a member of another commission or board for which subsequent employment is restricted pursuant to section 1 of this act."

NRS 281.370, which prohibits all state departments, agencies and boards from discriminating against any person in employment because of age, did not interfere with board of regents' essential management and control of university pursuant to Nev. Art. 11, § 7, and regents' policy requiring member of faculty to retire at end of contract year in which he reached age 70 was invalid because it violated provisions of statute. *Board of Regents v. The employer shall notify the state industrial insurance system of the election. The employer shall continue to pay the employee his normal salary but charge against the employee's accrued sick leave time as taken during the pay period an amount which represents the difference between his normal salary and the amount of any benefit for temporary total disability received, exclusive of reimbursement or payment of medical or hospital expenses under chapter 616 or 617 of NRS for that pay period.

2. When the employee's accrued sick leave time is exhausted, payment of his normal salary under subsection 1 must be discontinued and the employer shall promptly notify the state industrial insurance system so that it may begin paying the benefits to which the employee is entitled directly to the employee.

3. An employee who declines to make the election provided in subsection 1, may use all or part of the sick leave benefit normally payable to him while directly receiving benefits for temporary total disability under chapter 616 or 617 of NRS, but the amount of sick leave benefit paid to the employee for any pay period must not exceed the difference between his normal salary and the amount of any benefit received, exclusive of reim-

(Added to NRS by 1977, 1103)

--ANNOTATIONS--**Nevada Cases.**

Statute not ex post facto. Nevada Ethics in Government Law (cf. NRS 281.411 et seq.) was not ex post facto law prohibited by Nev. Art. 1, § 15, because it was prospective, not retrospective in operation *Dunphy v. Sheehan*, 92 Nev. 259, 549 P.2d 332 (1976)

Exclusion of judiciary from statute required by doctrine of separation of powers. Exclusion of members of judiciary from provisions of Nevada Ethics in Government Law (cf. NRS 281.411 et seq.) was required by doctrine of separation of powers because promulgation of code of judicial ethics is essential to due Administration of justice and is within inherent power of judicial department. *Dunphy v. 281.481 General requirements. A code of ethical standards is hereby established as a guide for the conduct of public officers and employees:

1. No public officer or employee may seek or accept any gift, service, favor, employment, engagement, emolument or economic opportunity which would tend improperly to influence a reasonable person in his position to depart from the faithful and impartial discharge of his public duties.

2. No public officer or employee may use his position in government to secure or grant unwarranted privileges, preferences, exemptions or advantages for himself, any member of his household, any business entity in which he has a significant pecuniary interest, or any other person.

ployee is a member of a body which makes decisions, he shall make disclosure to the chairman and other members of the body. If the officer or employee is not a member of such a body and holds an appointive office, he shall make disclosure to the supervisory head of his organization or if he holds an elective office, to the general public in the area from which he is elected.

4. No public officer or employee may participate as an agent of government in the negotiation or execution of a contract between the government and any private business in which he has a significant pecuniary interest. Unless specifically prohibited by law, a public officer or employee, as such, is not precluded from making a bid on a government contract if the contracting process is controlled by rules of open competitive bidding, the sources of supply are limited, he has not taken part in developing the contract plans or specifications and he will not be personally involved in opening, considering or accepting offers.

5. No public officer or employee may accept any salary, retainer, augmentation, expense allowance or other compensation from any private source for the performance of his duties as a public officer or employee.

7. No public officer or employee may suppress any governmental report or other document because it might tend to affect unfavorably his pecuniary interests.

(Added to NRS by 1977, 1105; A 1987, 2094)

- (a) His acceptance of a gift or loan;
- (b) His pecuniary interest; or
- (c) His commitment in a private capacity to the interests of others.

2. 3. If a member of the legislative branch declares to the legislative body or committee in which the vote is to be taken that he will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule of a board of county commissioners or governing body of a city, is reduced as though the member abstaining were not a member of the body or committee.
